

AMORIM

Amorim Isolamentos, S.A.

SAFETY DATA SHEET

(In conformity with the regulation (CE) n.º 1907/2006)

1. Product and company identification

Product: Expanded Cork Granules
Specific use: Thermal and acoustic insulation, in buildings and equipments
Company: Amorim Isolamentos, S.A.
Rua da Corticeira, n.º 66
4535 - 173 Mozelos VFR
Telefone: +351 22 741 91 00
Fax: +351 22 741 91 01
e-mail: geral.aisol@amorim.com
Emergency telephone: +351 22 741 91 00 (Amorim Isolamentos, S.A.)

2. Danger identification

Not applicable.

3. Composition / information on the components

Chemical composition: 100% cork (suberin, lignin and cellulose). No chemical present.

4. First aid

Not applicable.

5. Firefighting measures

Means of extinction: Water, chemical powder CO₂.
Explosion risk: Not applicable.
Protection equipment: Firefighters should use autonomous breathing devices for fires in closed areas.

6. Measures to be taken in case of accidental leaks

Not applicable.

7. Handling and storage

Handling: No special care required.
Storage: Store the product in covered area away from rain.

8. Exposure control / individual protection

Breathing protection: No special equipment required under normal conditions of use.

AMORIM

Amorim Isolamentos, S.A.

Ficha de Dados de Segurança

(Em conformidade com o Regulamento (CE) n.º 1907/2006)

9. Physical and chemical properties

General Features

Aspect / Physical State: Solid, granulated
Colour: Dark Brown

10. Stability and reactivity

Stability: Stable in the recommended conditions of manipulation and storing
Dangerous reactions: None
Reactivity: None

11. Toxicological information

Under normal conditions of use, the product is not dangerous. There are no dangerous effects concerning the user's health resulting from exposure to the substance.

12. Ecological information

It is not classified as dangerous for the environment.

13. Disposal considerations

Product: Waste should be disposed of according to the legislation in force. Do not throw in the household waste. It can be used as combustible (energy recovery).
Packing: Disposal by recycling, according to the applicable national legislation.

14. Transport information

It is not classified as dangerous for transportation (ADR/RID; IMDG/GGV; ICAO/IATA).

15. Regulatory information

Chemical Safety Assessment: It was not performed a Chemical Safety Assessment.

This substance is not classified as dangerous to health, safety and environment, in conformity to the Directives 67/548/CEE e 1999/45/CE.

16. Other information

The information contained in this document about safety data is based on the technical knowledge of the manufacturer, on the national legislation and on the EC. The responsibility for its use belongs to the users.

The only purpose of the given information is to describe the product from the point of view of protection and safety for people and environment, therefore it cannot be considered as specifications of the product.
